THE LITTLE MERMAID "MUSICAL"

We're off to see Broadway's Disney musical - **The Little Mermaid** at the **Weathervane Playhouse**. The Little Mermaid is a hauntingly beautiful love story for all ages. With music by eight-time Academy Award winner Alan Menken, this fishy fable will capture your heart with its irresistible songs including "Under the Sea," "Kiss the Girl," and "Part of Your World." Mermaid princess Ariel is fascinated by the world and lives of people on dry land, and longs to someday join them, though her father, King Triton forbids contact. When she falls in love with human Prince Eric from afar, she makes a deal with her father's sister and enemy Ursula - she is temporarily transformed into a human and may remain so if she wins the kiss of true love from her prince within three days. The dangerous mission leads to a showdown between good and evil forces which only love can remedy.
